

Cé Series

Cé Petite Wall

Cé audaciously blends a cascade of fringes with the soft and pure curves of solid bronze. The use of anthropomorphism adds a human touch and evokes a presence in the room, while the fringes contrast their straight lines with the plush atmosphere created by the light they sift. Complete with abridged proportions and just as much charm as its big sister. All in all, this forms a fabulously coherent piece worthy of the most impressive spaces on Earth.

Lamping Specifications

Input voltage : 120V or 220-240V
Power input : 9.5W
Technology : AC LED dimmable
CRI : >90
CCT : 3000K (Warm white)
Lumen source : 800 lm

Product weight

1.8 kg / 4 lbs

Construction

Rayon fringes offered in different colors *
Plated steel wall plate and face
Aluminum heatsink

**Custom lenght available upon request*

Certifications

IP20   

Materials

Plate finishes:

-  12K Gold
-  Chrome
-  Custom

Fringes finishes:

-  Verdigris
-  Natural White
-  Tender Pink
