

d'Armes

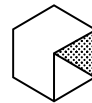

RA Séries

RA Wall

RA Wall participates in its surroundings by playing with contrasts, shadows and reflections. The circular neon tube emits a bright light that reflects softly on the wall.

A disc eclipses a part of the light and draws in the hues of the setting.

RA Wall

Design by Alexandre Joncas

Lamping Specifications

Power input : 45W
 Technology : Cold cathode neon lifetime of 100 000h
 CCT* : 3000K (Warm white)
 Lumen source : **A** 1800 lm / **B** 1200 lm
 CRI : 94
 Input voltage : 120V - Integrated dimmer only
 220-240V - DALI dimming*

*1-10V and other CCT available upon request

Product Weight

4.1 kg / 9 lbs

Construction

Hand-bent glass neon tube

Certifications

IP20 

Materials

Round plate finishes:

-  12K Gold
-  Chrome
-  Sandy Black
-  Sandy White
-  Mirror
