

Hyphen Table Simple

ASSEMBLY INSTRUCTIONS

YOUR BOX SHOULD CONTAIN

1x Hyphen head

1x Support

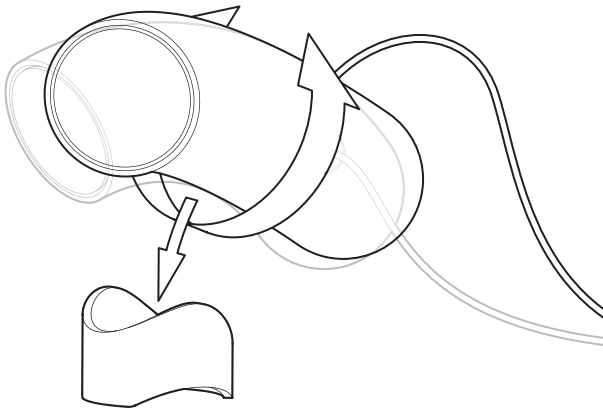

2x cotton gloves

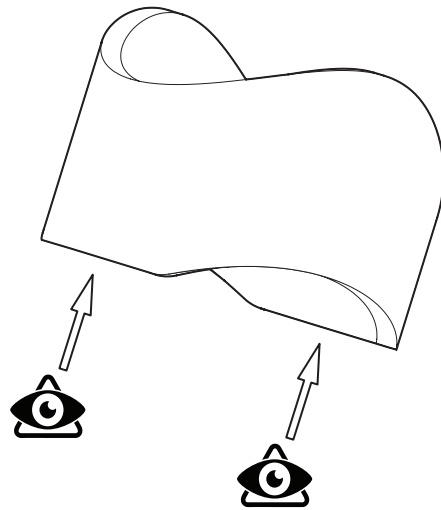

Unpack all components from the box and dispose of the packaging. Please recycle.

1 Put down the support on a flat and stable surface. Sit the head on the top of the support in the desired orientation.

2 Be careful, the flat surfaces of the support go downwards.

3 Connect the plug to your house outlet. Push one time on the dimmer button to turn on or off the light. Long press on the button to dim up or down.
