

Cé Series

Cé Petite Wall

Cé audaciously blends a cascade of fringes with soft and pure curves. The use of anthropomorphism adds a human touch and evokes a presence in the room, while the fringes contrast their straight lines with the plush atmosphere created by the light they sift. Complete with abridged proportions and just as much charm as its big sister. All in all, this forms a fabulously coherent piece worthy of the most impressive spaces on Earth.

Design by Alexandre Joncas

Lamping Specifications

Input voltage : 120V or 220-240V
 Power input : 9.5W
 Technology : AC LED
 CRI : >90
 CCT : 3000K (Warm white)
 Lumen source : 800 lm
 Dimmable : Yes ([Link for compatible dimmer](#))

Product weight

1.8 kg / 4 lbs

Construction

Rayon fringes offered in different colors *
 Plated steel wall plate and face
 Aluminum heatsink

*Custom length available upon request (max 104 cm (41 in))

Certifications

IP20   

Designed and made in Canada

Materials

Plate finishes:

-  12K Gold
-  Chrome
-  Custom

Fringes finishes:

-  Verdigris
-  Natural White
-  Tender Pink
