

Cé Series

Cé Wall

Cé audaciously blends fringes and metal, revealing a wellrounded wall mounted fixture. The unique movement of the fringes brings a fluid effect, distinguishing this piece from previous collections, all the while remaining faithful to the minimalist look of candid lines present in each of d'Armes creations. By dimming the light, the fringes create a plush atmosphere. Cé jostles the obvious association between fringes and lighting by unveiling a classic revisited.

Lamping Specifications

Input voltage : 120V or 220-240V
 Power input : 20.5W
 Technology : AC LED dimmable
 CRI : >90
 CCT : 3000K (Warm white)
 Lumen source : 1600 lm
 Dimmable : Yes ([Link for compatible dimmer](#))

Product weight

4.1 kg / 9 lbs

Construction

Rayon fringes offered in different colors *
 Plated steel wall plate and face
 Aluminum heatsink

**Custom length available upon request (max 104 cm (41 in))*

Certifications

IP20  

Designed and made in Canada

Materials

Plate finishes:

-  12K Gold
-  Chrome
-  Custom

Fringes finishes:

-  Verdigris
-  Natural White
-  Tender Pink
